

Feature: Team Scoring

Teams start with zero score.

Correct answer gets points depending on how difficult it is.

Scenario: Score starts at 0

Given I register a team

Then my score is 0

Scenario: Correct easy answer scores 10

Given I register a team

When I submit a correct easy answer

Then my score is 10

Scenario: Correct hard answer scores 50

Given I register a team

When I submit a correct hard answer

Then my score is 50
